

# Birdies for Babies

## Application for Golf Outing Beneficiary

### Criteria for Consideration:

- You have been diagnosed with Infertility, and IVF is indicated.
- You are trying for your first baby.
- You will be no older than 42 years of age when you commence treatment.
- You have no insurance coverage, or have exhausted your benefits for IVF.
- You will dedicate your time and effort to assist in the planning of this, as well as future Birdies for Babies Golf Outings.
- You will include your friends, family, and co-workers in this Golf Outing.
- You are willing to share your infertility journey with the media surrounding this Event.
- You have no medical conditions that would prevent you from taking medications and undergoing the procedures of an IVF cycle, or becoming pregnant, and going through labor and delivery.
